

HOW STATE LAWS ARE MADE.

(Continued from 1st Page.)

amendments and changes of the old is prepared.

When the bill is finally sent to the Enrolling Department it is copied and various notations are entered in the office book as to the receipt and disposition of the bill, which becomes a law when ratified by the President of the Senate and the Speaker of the House.

The Legislative mill is grinding away day and night in order to dispose of all of the bills before the sixty days of the session will have expired Saturday night of this week. The House and Senate are holding morning, afternoon and night sessions and a big batch of bills is disposed of each day and new ones are poured into the hopper, some of which will doubtless never reach enactment. It is generally conceded that the General Assembly will not be able to adjourn before March 12 at the earliest.

At the close of Saturday's session 554 bills had been ratified, 104 of which were ratified Saturday and about half that number were sent to the Enrolling Department on Saturday and were ratified on Monday.

Movements of Mountaineers.

Allie Drake, the newly appointed

private secretary to Congressman J. M. Gidger, came up last week from his home in Henderson county and joined Commissioner of Labor and Printing M. L. Shipman, of Hendersonville, and Senator Lovingsgood and Victor Hubbard of Murphy, in their trip to Washington to witness the inauguration of Woodrow Wilson.

Representative A. L. Martin, of Cherokee county, left Monday for his home in Murphy, having been called there on account of the serious illness of his father, who lives in Tennessee, a few miles from Murphy.

Attorney J. W. Pless, of Marion, was in Raleigh last week and presented Governor Craig at the banquet given in the honor of the governor and others.

Among others seen here during the past few days from the Tenth district were: Van Buren Bostic, Judge J. D. Murphy, Attorney Geo. H. Wright, C. A. Webb, of Asheville; Solicitor A. Hall Johnston, of Marion; Tax Collector V. C. V. Shepherd and R. M. Oates, of Hendersonville; Hugh Love of Waynesville; former Senator Tom Ballenger, of Polk county.

The bill providing for the redistricting of the State in accordance with the bill recently ratified providing for twenty judicial districts and a similar number of Superior court judges and solicitors in the State has been introduced and carries with it the following number of weeks of court for the counties in the Tenth district:

Henderson, 9; Cherokee, 7; Haywood, 9; Buncombe, 32; McDowell, 9; Polk, 4; Transylvania, 6; Jackson, 6; Graham, 4; Macon, 4; Clay, 2; Rutherford, 9; Swain, 6.

It will be observed that this is a considerable increase in the number of weeks of court for some of the counties.

DO YOU ENJOY EATING

Or Does Everything You Eat Distress You?

Experts declare that the reason stomach disorders are so common in this country is due to hasty and careless habits of eating. Stomach troubles and run-down conditions also usually go together.

John Lind, of Oneonta, N. Y., says: "I have been troubled with a bad stomach trouble for fifteen years, and became so weak that I could hardly walk or do any work. My appetite was very poor, and it seemed impossible to get any relief. Since taking two bottles of Vinol I find that it has already made a remarkable improvement in my health; my digestion is much stronger, and I have gained in weight."

Vinol makes weak stomachs strong because it strengthens and tones up the weakened, tired and overtaxed nerves of the digestive organs. Vinol is easily assimilated by the weakest stomachs, and is delicious to the taste.

Try a bottle of Vinol with the understanding that your money will be returned if it does not help you.
